For immediate release:

IntePros Incorporated has promoted Geoff Jones to be its new Chief Operating Officer. IntePros provides highly skilled consultants for business organizations across the country on a contract or permanent basis in the following business practices: PMO Suite, Information Technology, and Quality & Regulatory Compliance.

Having joined IntePros 19 years ago, Geoff has steadily progressed through the ranks, demonstrating his expertise and leadership abilities. He has served in pivotal roles such as Recruiting Manager, Director of Recruiting – MidAtlantic Region, National Vice President of Recruiting, and most recently, as Chief Recruiting Officer.

“Geoff is great leader, technical resource and voice of reason. He is outstanding with people; firm but fair. He and Ken Hull are at the top of their game and we are fortunate to have them leading the team,” exclaimed CEO, Loren Kovalcik.

Geoff's journey at IntePros is a testament to his commitment to excellence and his deep understanding of the industry. His background as a scholar athlete at Rider University, where he was part of the varsity golf team, coupled with his MBA from the same institution, has equipped him with a unique perspective.

Geoff is replacing Ken Hull, who was promoted to President of IntePros this past year. Last year, IntePros was just shy of \$70M in revenues with over 400 consultants in the field. Please contact Lana Lorenz ([llorenz@intepros.com](mailto:llorenz@intepros.com)) for more information.
